Dear Ms. Jiang:

On March 18, 2002, the Department of Environmental Services (DES) sent you a monitoring and reporting violation requiring you to provide public notice due to violations of your fourth quarter 2001 sampling requirement for nitrates and nitrites. On May 30, DES was made aware that the restaurant was not in operation until January of 2002. Please review your sampling schedule carefully as and we have made some modifications. This letter is to inform you that we are rescinding the request for public notification.

Sincerely,
